In Loving Memory

Michael Alan Dallas

He was born on March 18, 1965 in Oakland, CA. At the age of 56 he passed on November 4, 2021 in Hayward,

CA. He leave behind his wife Esther Dallas, stepfather Stan Crommelin, his mother Mary and two brothers,

David Dallas and Daniel.

Michael AKA Mikey would go on road trips with his stepfather Stan, which started his love to drive Big Riggs,

which in turn for the last 20 years has been driving tow truck his second passion. That's how he met many of his friends.

His stepfather instilled in him to always be on time at work or any appointment, and love to keep his truck nice

and clean. He also help out any he seen that need help. Mikey loved the speed of cars, boats, loud stereos. Most

of all his love for his custom motorcycle. At times it seemed like he loved the motorcycle more than his wife,

LOL.

By the way I'd like to thank Simms for doing his bike and making his dream come true. We are going to miss

his loudmouth also his potty mouth. So Mikey its not good for now, its still we meet again. Well all your family

and friends love you and will miss you.

Well, in closing I, Esther Dallas, would like to thank everyone for coming. After the service, please join us at
