

**SONYA SIAW**

June 17, 1939 – March 10, 2025

In Memorandum of Sonya Siaw (6/17/39 – 3/10/25), loving wife of Teck Siang Siaw and Mother of Aldrin Siaw and wife Kristina. She is also the sister of Herda and Aunt of Linda and the Bulos Family and Stefanus and the Tedjakusuma family.

Sonya was born and raised in Indonesia. She was always the “tomboy” in her big family, but grew into a beautiful woman. In fact, she became a hairstylist, where she got to express her sense of fashion of which she always had an eye for. Sonya would meet then marry Teck Siang who whisked her off to America.

Years later, they would raise their son Aldrin. Setting him on the right path through grade school, high school, then college where he met Kristina who became her instant daughter. She was the most excited mother on their wedding day, now 25 years ago.

Sonya was a great cook and made their Daly City house into a beautiful home. Sonya got her CNA license and became a caregiver. She cared for her clients and

they cared for her too, which is why it was so ironic to see Sonya beat breast cancer and at the end of her life need care herself.

God was so important to Sonya, because she knew how much she had been blessed. She joined the Indonesian Gereja Injili and made a whole new family. Sadly, Teck Siang would pass.

Her son's family moved to Texas in 2003. The adventure seeker that she was, she gave Texas a try too, but the weather sent her back to the Bay Area a few years later. By this time, Sonya's health had started to decline. She got to the point where she could barely do simple physical tasks. She died at her nursing facility.

Sadly, we lost Sonya. She was such a beautiful, strong women, who lived a loving life. Her smile just brightened the room. Sonya loved her family...and we loved her very much. You will truly be missed!

She is gone from this earth today, but her spirit will always be in our hearts as she continues to care and watch over us from above.

Bye Mom...terima kasih
