Prices subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items that you desire. However, the required *basic services of the funeral director and staff* charge will be added to any funeral arrangements that you select. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Embalming

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Preneed Agreement
